Privately Owned - Non Vat Vendor

Daily Cabana Rates for 2022.

Because of the non-standard nature of our cabanas, rental tariffs are not standard. Please familiarise yourself with the units by selecting from the drop-down menu under the "CABANAS PHOTOS" tab. The rates shown here are meant only as a guide and we anticipate some changes in terms of the dates due to the impact of COVID on planned school holidays. Final rates will be provided prior to confirming any reservations.

Tariffs are subject to change without prior notice.

In the unlikely event that the unit selected by you/allocated to you is not/no longer available, we will endeavour to allocate another similar unit to you for your acceptance. Management also has the right to relocate guests to another similar unit without notification.
